

“ Great is our Lord, and abundant in power; His understanding is beyond measure. ”

- Psalm 147:5

Dear friends,

The past few months I have been ministering in areas that are entrenched with spiritual darkness. What I love about ministering in these places is that I always get to see that our God truly is great and abundant in power! In my most recent trips to Kenya and Asia, I have most certainly seen His abundant power wherever I have gone. There are so many exciting things developing around the world, it is difficult to fit them in one newsletter!

In Kenya I visited the school that my grandfather helped start many years ago through Global Renewal. I was amazed by both the work being done and by the children. They are bright and vibrant kids, and I am looking forward to seeing them again! After I visited the school I travelled to Nairobi for a series of revival meetings. The Lord moved powerfully! On one of the days I preached on our authority in Christ. After the sermon the Lord began giving me words of knowledge for healing. After a few people were healed, I released the church to pray for each other and to learn to walk in authority. By the end of the night it was a 100% pain free room! Every person who needed healing was healed by the power of God! Great is our Lord and abundant in power! We are also excited to continue partnering with the pastor of that church to reach the less reached parts of Kenya! We are already planning to begin planting churches and having crusades together.

The opening service of the church

Baptizing new believers in the church's brand new baptismal pool

The main reason for my trip to Asia was to launch a church with a local pastor who I have been training over the past several months. We helped him finish getting his walls up, and organized an official launch service for the church. The launch was a beautiful celebration of what God is doing in this nation. The building was completely packed and people were standing outside looking in the windows! In total there were approximately 700 people in attendance. I preached a clear Gospel message about Jesus being the only way to God, and many people were saved! Many more individuals encountered the love of Jesus and were healed and set free! Since the launch, the church has continued to grow each week; last week they welcomed 10 first time guests!

I am excited to see a network coming together in this nation. We have been in contact with about 100 pastors of independent churches, who have attended our training seminars. These pastors have all expressed a desire to come into a network with us in order to plant and multiply churches as quickly and effectively as possible! It is incredible to see what is developing! Great is the Lord and abundant in power!

We also visited the site where we plan to plant our next church, and where we are planning to start a goat farm to help fund all of the Kingdom work we are doing there. It is amazing what God is bringing together and I am excited to keep you all updated as things develop. Thank you for your prayers, they are being answered! Thank you also for your giving, as we all do our part in the Kingdom, we will continue to witness the powerful works of our God!

A Special Request

The Lord has been so faithful to show His incredible provision to us over this past year. Upon moving back to the States, we had no idea where we would live. Our friends Gary and Nancy Newcomer offered for us to stay in a beautiful, four-bedroom home rent-free until the end of 2018! This home has been an incredible blessing to us. It has allowed us to focus more fully on the ministry and invest more of our time and resources into what we are doing in America and abroad. What an awesome God we serve!

We are beginning to explore our options for housing next year. It is exciting to look at houses and dream of where we may live. We are also aware however, that we still need to raise a significant amount of monthly support to cover our housing allowance. God has empowered us to accomplish so much in ministry this year and the last thing we want to do is invest less in ministry next year! We are praying and believing God to help us raise an additional \$1,000/month in monthly pledges by the end of this year!

You all have been so incredibly generous in empowering us to do the work of the Lord! We would like to ask you to consider making a monthly pledge of any amount at this time to help us reach our goal! Whether you are able to contribute \$5 a month or \$500 a month, every little bit helps as we work to reach this goal!

The Next Trip

On June 15th I will be travelling to the nation of Uganda to preach the Gospel in an unreached area in Northwestern Uganda. Together with my friend Ryan Helminiak and the Ugandan Assemblies of God, we have organized a crusade that will be held in one of the biggest refugee camps in the world. The refugee camp is called Bidi Bidi. Miraculously the U.N. has given us permission to enter this camp that is filled with South Sudanese refugees, many of whom are Muslim, and have a Gospel crusade in the middle of the camp! I cannot wait to get there and share the love of Jesus with these precious refugees. We will also attempt to minister in the neighboring town of Yumbe, which houses the only unreached Ugandan people group. This historically violent Muslim tribe, has a very undesirable reputation. We plan to simply go into this "hostile" Muslim area and show them love, provide them with Bibles, and pray that the Lord opens doors for powerful ministry in the streets. The end goal is to send Ugandan church planters into these areas to establish life-giving churches! This will be a first step in that direction. Please pray for protection, but most importantly for incredible fruit as we go! The Light shines brightest in the darkness! Great is our Lord and abundant in power!

Thank You

We have been so blessed by all of you over this past year. It is difficult to describe the gratitude we feel as a young family, to have so many people who support, encourage, and believe in what we are doing. We love you all and remember you often in our prayers. Thank you so much and God bless you all!
